

Sai Certification Course: Tradition and Modernity

*A Special Series of Online Trainings on
the Use of the Sai*

Sensei Mike Carmiche

Head of the Yoshin Ryu Combat Jujitsu
Academy

Co-founder of the American Modern Jujitsu
System

Don't miss this dynamic

five-part course on the Sai

Beginning with the History and

Traditions of this fascinating

weapon, this course progresses

to fundamental postures (kamae),

foundational techniques, fluid and effective

applications, advanced flare manipulations,

and the instruction in a modern competitive

Sai Kata sure to carry you to victory.

The training is **completely online** and each participant will be allowed to view the recording of the class on our server for study and review.

The five seminars can be purchased individually, or as a package course at a discount.

Students who complete all five seminars will be reviewed via video and can then earn a frameable certificate in the study of the Sai.

Don't miss out on this outstanding seminar.

It will progress your Martial Arts and provide a new dimension to your training and competition.
